D.O. 11-15/2017-EE.10

Dated the 15th December, 2017

Dear Sir,

This has the reference to the D.O. letter No. 20/VI-12/2-13 DATED 7th December, 2017 and 3rd November, 2017 regarding in-service training of untrained elementary teachers of Bihar through NIOS.

2. With respect to the issue raised by the state related to study Centres, it is clarified that private senior secondary schools and private teachers training colleges as decided and found appropriate by the state may be selected as study centres and examination centres.

3. As regard to Study Centres, it is informed that as per the NCTE, one unit consists of 50 students. However, as per the relaxations given 2 Units comprising of 100 students can be combined into one unit and one study centre coordinator and four resource persons are required for implementing the programme in that Unit. Further, an institution/study centre coordinators identified can accommodate more than one unit (100students) provided the separate set of study centre coordinators and Resource Persons. Therefore, the increase in intake as suggested in your letter would be not required.

4. Further, NIOS is recruiting more staff for Regional Office Patna. An orientation programme for implementing of Online D.El.Ed. programme through SWAYAM and SWAYAM PRABHA was conducted at NIOS on 8th December, 2017. However, in case, any other facilitation is required, the same may please be informed.

5. The remuneration as per NIOS norms for implementation of this D.El.Ed. programme will be made directly to the co-ordinators and different functionaries by Regional Centre, NIOS Patna, as requested in your earlier letter.

6. In view of the clarifications given above, may, I request for an early action for identification of Study Centres in Bihar.

With regards,

Yours Sincerely,

(Rashi Sharma)
