D.O. No. 11-15/2017-EE.10

Dated the 11th October, 2017

Dear *Secretary,*

As you are aware, 12,91,880 in-service elementary teachers have registered and made payment on the NIOS Portal as on 30th September, 2017. I would like to take this opportunity to congratulate and thank you and your team for putting special efforts in making registration at NIOS Portal a massive success.

2. In this regard, I would like to inform you that the D.El.Ed. course started on SWAYAM platform from 3rd October, 2017. The main features of the course are as follows:

- There are 10 courses of Diploma in Elementary Education (D.El.Ed.) being offered by NIOS through SWAYAM platform. Out of 10 courses, 3 courses with course code 501, 502 & 503 have already been uploaded on SWAYAM platform by the identified Course Coordinators in all 4 quadrants (Text Materials, Audio/Video, Self-Assessment and Discussion forum). The remaining 7 courses (504-510) are under development.
- All D.El.Ed. courses are open on SWAYAM platform and any one can be registered for learning purpose. However, NIOS is under the process of integration of the learners' credentials so that same credentials can be used for accessing the study materials and participate in discussion forum.
- The course materials (PDF) are developed in 10 regional languages along with HINDI and ENGLISH. Therefore, SWAYAM team is being requested to provide a page of the course (D.El.Ed) from where learners (teacher) can opt their preferred regional language for online study.
- On SWAYAM Prabha DTH Channel, videos in respect of D.El.Ed. courses (501, 502 and 503) have already been uploaded and scheduled for the month of October, 2017 and the same is being telecast as per the schedule on Channel Number 32 (named VAGDA).

3. **It is reiterated that the verification of all unqualified/untrained teachers registered at NIOS Portal should be completed by 30th October, 2017.** This is extremely essential to ensure that only in-service elementary teachers are registered for this Online D.El.Ed. Course. Further, States are also directed to identify adequate number of centres (Study Centres as well as Examination Centres) as per NCTE norms. The details of State-wise registration, payment made and admission confirmation as well as the approximate requirement of no. of Study Centre and Examination Centre is given at Annexure I. In addition, the details of activities that would need to be taken up by the States and UTs as initiated by NIOS to ensure smooth running of the Online D.El.Ed. Course are at Annexure II.

4. The NIOS and State Government would need to sign a Memorandum of Understanding (MoU) for which a pre vetted format of the MoU is as enclosed in Annexure III. In addition, States would also be required to organise workshops in November-December for the learners for which the norms and remuneration is given at Annexure IV.

5. As the D.El.Ed programme is a time bound activity, which needs to be completed by 31st March 2019, you are, therefore, requested to take urgent and concerted action at your end to ensure that the necessary cooperation may be extended by the concerned authorities to NIOS in identifying study centres and examination centres for D.El.Ed programme.

Warm regards,

Yours Sincerely,

(Anita Karwal)

To: Principal Secretary/Secretary Education, All States and UTs
