Last date for NIOS D.El.Ed. Programme- Process of Registration & Principal Verifications

Dated: 24<sup>th</sup> January 2018

This pertains to the requests received from different persons and organizations for reopening the registration and Principal verification for NIOS D.El.Ed programme for Training of in-service untrained elementary teachers.

2. The registration in the NIOS D.El.Ed programme started on 16<sup>th</sup> August 2017 and continued for one month i.e. 15<sup>th</sup> September 2017. The last date for the registration process was extended for fifteen more days from 16<sup>th</sup> September 2017 to 30<sup>th</sup> September 2017 to give more time to the teachers who could not apply. **As a special case the registration was once again opened from 1<sup>st</sup> Nov. 2017 to 7<sup>th</sup> Nov. 2017 with subsequent extended time for completing the process of verification by the principal of the schools by 15<sup>th</sup> December 2017.**

3. It may be noted that the time bond framework of completion of D.El.Ed programme is mandated under the Amendment in the RTE Act, 2009 by the Parliament of India according to which all untrained Elementary In-service teachers have to attain the Elementary Teacher Education Qualifications by 31<sup>st</sup> March 2019. The last date regarding registration and verification are considered in consultation with MHRD, Govt. of India. Moreover, the time framework for the study under this programme is mandated by NCTE and cannot be reduced further. NIOS and other stakeholders need to abide by the directions mentioned in the recognition order of NCTE (vide File.No.NRC/NCTE/Recognition/275 (part-3) meeting/2017/182459-61 dated 22.09.2017) issued to the NIOS in this regard. The recognition order is available on NIOS portal with the following link-

<http://www.nios.ac.in/media/documents/NCTERecognitionOrder.pdf>

4. In this context the last date for registration and Principal verification process for D.El.Ed programme is already over. Any request in this regard for further reopening of this process is untenable.

This issues with the approval of competent authority.
